

*Markov Chain Model for Performance  
Analysis of Transmitter Power Control  
in Wireless MAC Protocol: Towards Delay  
Minimization in Power-network Control*

*Muhammad Tahir and Sudip K. Mazumder*

as

*IEEE Outstanding Student Paper Award*

of the 21st IEEE International Conference on Advanced  
Information Networking and Applications (AINA-07)  
held on May 21-23, 2007, Niagara Falls, Canada

AINA-07 Program Chairs

Ivan Stojmenovic, Beniamino Di Martino, Tomoya Enokido

AINA-07 Award Chairs

Sen T. Vuong, Jiandong Li, Mohammed Younas, David Tattar

Creating a new generation of leaders
