

Office of the Chancellor

June 28, 2023

Professor Sudip Mazumder
Department of Electrical and Computer Engineering
College of Engineering

Dear Professor Mazumder:

We are very pleased to inform you that you have been chosen as a recipient of the honorary title of UIC Distinguished Professor. The appointment was created to recognize persons who have made a significant impact in their field through scholarship, creativity, and leadership.

This year's review committee, comprised of current UIC Distinguished Professors, selected you as a recipient based on documentation submitted by your college and recommendations from colleagues and scholars in your area of expertise.

The appointment of UIC Distinguished Professor is for the duration of your full-time tenure at UIC and will become effective at the beginning of the next academic year following the approval of the Board of Trustees. In addition, you will receive a one-time award payment of \$5,000. You will also be honored at the Faculty Awards Ceremony and Reception to be held this fall. The one-time award payment will be processed by the Office of the Vice Provost for Faculty Affairs for direct deposit after the annual ceremony. Further details will be provided in a formal invitation.

Please accept our congratulations for this well-deserved honor. You have our gratitude and appreciation for all you have done and continue to do for the University of Illinois Chicago.

Sincerely,

Javier Reyes
Interim Chancellor
